

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC SOUTHERN WATER & SEWER)	CASE NO.
DISTRICT METER REPLACEMENT)	2020-00121
SURCHARGE MONITORING)	

ORDER

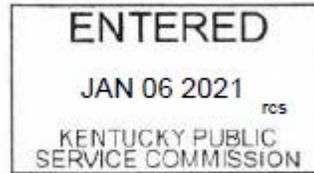

On December 31, 2020, Southern Water & Sewer District (Southern District) filed a motion requesting an additional 15 days to file its response to Commission Staff's First Request for Information (Staff's First Request). As a basis for the request, Southern District stated that its counsel was not timely served with Staff's First Request and, due to the holiday season and COVID-19 pandemic, utility personnel and vendors have been unavailable, and thus Southern District has not been able to gather the necessary information by the due date of January 7, 2021.

Based upon the motion, the Commission finds that Southern District established good cause to extend the time to file its response to Staff's First Request by 15 days, and therefore the motion should be granted.

IT IS THEREFORE ORDERED that:

1. Southern District's motion for an extension of time is granted
2. Southern District shall file its response to Staff's First Request on or before January 22, 2021.

By the Commission
